

## Scientific Technical Services Advisory Council Meeting Minutes

Tuesday, March 12, 2019

ES 530

In attendance: John Antos, Steven Emory, Josh Kaplan, Janelle Leger, Nicole McGowan, Jim Mullen, David Patrick, Mark Peyron, Kathy Van Alstyne, Charles Wandler

Meeting was called to order at 12:00pm.

Minutes from February 20, 2019 meeting approved.

### Discussion/Action Items

- Proposed equipment plan to modernize current chromatography holdings presented by STS Director, David Patrick, after consultation with STS Staff. With updated chromatography holdings there would be some dedicated instruments for a particular use.
- Council members to take plan to their related programs and departments requesting feedback on proposed equipment plan with a reply date of April 15.
- Invitation to be extended to people to participate/join working groups of interest. The council would like to keep people involved and engaged with working and user groups long-term.
  - Feedback from programs and departments about chromatography instrumentation plan to be discussed at April meeting
  - Planning for informal social gathering(s) for STS users to be discussed at April meeting

Meeting adjourned at 12:40 pm.

Next meeting: TBA April 2019
